It is my understanding that before disconnection of residential service for non-payment, the County Dept. of Health and Social Services will be notified if I or another responsible party request in writing that Amery Telcom/Somerset Telephone Company (Northwest Communications) notify the agency.

In order to provide telephone service to subscribers, it is my understanding that I will be allowing telephone facilities and personnel on my property if owned by myself, or will get approval from the owner. I agree that any leased equipment is the property of the Telephone Company, shall be subject to monthly rental charges, and shall be returned in good working condition upon termination of service.

In making this application, I agree to pay the bill in a timely manner and follow the rules and regulations as established by Amery Telcom or its subsidiary and to any general change or changes in the rules, regulation, tariffs or rates for the service furnished under this application and any other changes approved by the Wisconsin Public Service Commission.

Services are billed one month in advance. All prices are subject to change.
